

 Herman Miller

Mirra™ chair

Why Mirra?

Because Mirra mirrors the sitter's natural body movement (pivoting at the ankle, knee and hip)

Aeron™ is the best chair in the world; Mirra will be the best chair in its class (mid-high sector)

With Aeron and Mirra, the needs of customers seeking a high performance task chair are fulfilled

Designed by Studio 7.5

- Based in Berlin, Germany
- A non-hierarchical team of industrial designers
